

REGULATION (EU) No 1163/2014 OF THE EUROPEAN CENTRAL BANK
of 22 October 2014
on supervisory fees
(ECB/2014/41)

THE GOVERNING COUNCIL OF THE EUROPEAN CENTRAL BANK,

Having regard to Council Regulation (EU) No 1024/2013 of 15 October 2013 conferring specific tasks on the European Central Bank concerning policies relating to the prudential supervision of credit institutions ⁽¹⁾, and in particular the second subparagraph of Article 4(3), Article 30 and the second subparagraph of Article 33(2) thereof,

Having regard to the public consultation and to the analysis carried out in accordance with Article 30(2) of Regulation (EU) No 1024/2013,

Whereas:

- (1) Regulation (EU) No 1024/2013 establishes a Single Supervisory Mechanism (SSM) composed of the European Central Bank (ECB) and national competent authorities (NCAs).
- (2) Pursuant to Regulation (EU) No 1024/2013, the ECB is responsible for the effective and consistent functioning of the SSM for all credit institutions, financial holding companies and mixed financial holding companies in all euro area Member States as well as in non-euro area Member States which enter into close cooperation with the ECB. The rules and procedures governing the cooperation between the ECB and NCAs within the SSM and with national designated authorities are laid down in Regulation (EU) No 468/2014 of the European Central Bank (ECB/2014/17) ⁽²⁾.
- (3) Article 30 of Regulation (EU) No 1024/2013 provides for the levying of an annual supervisory fee by the ECB on credit institutions established in the participating Member States and on branches established in a participating Member State by a credit institution established in a non-participating Member State. The fees levied by the ECB should cover, and not exceed, expenditure incurred by the ECB in relation to the tasks conferred on it under Articles 4 to 6 of Regulation (EU) No 1024/2013.
- (4) The annual supervisory fee should comprise an amount to be paid annually by all credit institutions established in the participating Member States and branches established in a participating Member State by a credit institution established in a non-participating Member State that are supervised within the SSM.
- (5) Within the SSM, the supervisory responsibilities of the ECB and each NCA are allocated on the basis of the significance of the supervised entities.
- (6) The ECB has direct supervisory competence in respect of significant credit institutions, financial holding companies, mixed financial holding companies established in participating Member States, and branches located in participating Member States of significant credit institutions established in non-participating Member States.
- (7) The ECB also oversees the functioning of the SSM, which includes all credit institutions, whether significant or less significant. The ECB is exclusively competent in relation to all credit institutions established in the participating Member States to authorise entities to take up the business of a credit institution, to withdraw authorisations and to assess acquisitions and disposals of qualifying holdings.
- (8) The NCAs are responsible for the direct supervision of less significant supervised entities, without prejudice to the ECB's power to exercise direct supervision in specific cases where this is necessary for the consistent application of high supervisory standards. When allocating the amount to be recovered via supervisory fees between the categories of significant supervised entities and less significant supervised entities, this sharing of supervisory responsibilities within the SSM and the related expenditure incurred by the ECB is taken into account.

⁽¹⁾ OJ L 287, 29.10.2013, p. 63.

⁽²⁾ Regulation (EU) No 468/2014 of the European Central Bank of 16 April 2014 establishing the framework for cooperation within the Single Supervisory Mechanism between the European Central Bank and national competent authorities and with national designated authorities (SSM Framework Regulation) (ECB/2014/17) (OJ L 141, 14.5.2014, p. 1).

- (9) Article 33(2) of Regulation (EU) No 1024/2013 requires the ECB to publish by means of regulations and decisions the detailed operational arrangements for the implementation of the tasks conferred upon it by Regulation (EU) No 1024/2013.
- (10) According to Article 30(3) of Regulation (EU) No 1024/2013 the fees are to be based on objective criteria relating to the importance and risk profile of the credit institutions concerned, including risk weighted assets.
- (11) The fees are to be calculated at the highest level of consolidation within participating Member States. This means that when credit institutions are part of a supervised group established in the participating Member States, one fee shall be calculated and paid at group level.
- (12) In calculating the annual supervisory fee, subsidiaries established in non-participating Member States should not be taken into account. In this respect, and in order to determine the relevant fee factors of a supervised group, sub-consolidated data for all subsidiaries and operations controlled by the parent undertaking in the participating Member States should be provided. However, the costs of producing such sub-consolidated data may be high and, for this reason, supervised entities should be able to opt for a fee calculated on the basis of data provided at the highest level of consolidation within the participating Member States including subsidiaries established in non-participating Member States, even if this might result in a higher fee.
- (13) The institutions referred to in Article 2(5) of Directive 2013/36/EU of the European Parliament and of the Council ⁽¹⁾ are excluded from the supervisory tasks conferred on the ECB in accordance with Regulation (EU) No 1024/2013 and, therefore, the ECB will not levy fees on them.
- (14) A regulation has general application, is binding in its entirety and directly applicable in all euro area Member States. It is thus the appropriate legal instrument to lay down the practical arrangements for the implementation of Article 30 of Regulation (EU) No 1024/2013.
- (15) In line with Article 30(5) of Regulation (EU) No 1024/2013, this Regulation is without prejudice to the right of NCAs to levy fees in accordance with national law and, to the extent supervisory tasks have not been conferred on the ECB, or in respect of costs of cooperating with and assisting the ECB and acting on its instructions, in accordance with relevant Union law and subject to the arrangements made for the implementation of Regulation (EU) No 1024/2013, including Articles 6 and 12 thereof,

HAS ADOPTED THIS REGULATION:

Article 3

General obligation to pay the annual supervisory fee

1. The ECB shall levy an annual supervisory fee in respect of each supervised entity and each supervised group for each fee period.

⁽¹⁾ Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012 (OJ L 176, 27.6.2013, p. 1).

4. Fee-paying branches shall be deemed to be separate from subsidiaries of the same credit institution established in the same participating Member State for the purposes of this Regulation.

Article 4

Fee debtor

1. The fee debtor in respect of the annual supervisory fee is:
 - (a) the fee-paying credit institution, in the case of a fee-paying credit institution that is not part of a supervised group;
 - (b) the fee-paying branch, in the case of a fee-paying branch that is not combined with another fee-paying branch;

Each group of fee-paying entities shall nominate the fee debtor for the whole group and shall notify the identity of the fee debtor to the ECB. The fee debtor shall be established in a participating Member State. Such notification shall be considered valid only if:
 - (a) it states the names of all supervised entities of the group covered by the notification;
 - (b) it is signed on behalf of all supervised entities of the group;
 - (c) it reaches the ECB by 1 July of each year at the latest, in order to be taken into account for the issuance of the fee notice in respect of the following fee period.

If more than one notification per group of fee-paying entities reaches the ECB in time, the notification received by the ECB closest to but prior to the deadline shall prevail.

3. Without prejudice to paragraph 2, the ECB reserves the right to determine the fee debtor.

PART II

EXPENDITURE AND COSTS

Article 5

Annual costs

1. The annual costs shall be the basis for determining the annual supervisory fees and they shall be recovered via the payment of such annual supervisory fees.
2. The amount of the annual costs shall be determined on the basis of the amount of the annual expenditure consisting of any expenses incurred by the ECB in the relevant fee period that are directly or indirectly related to its supervisory tasks.

The total amount of the annual supervisory fees shall cover, but not exceed, the expenditure incurred by the ECB in relation to its supervisory tasks in the relevant fee period.

3. When determining the annual costs, the ECB shall take into account:
 - (a) any fee amounts related to previous fee periods that were not collectible;
 - (b) any interest payments received in accordance with Article 14;
 - (c) any amounts received or refunded in accordance with Article 7(3).

Article 6

Estimating and determining the annual costs

1. Without prejudice to its reporting obligations under Regulation (EU) No 1024/2013, the ECB shall by the end of each calendar year calculate the estimated annual costs in respect of the fee period for the following calendar year.
2. Within four months after the end of each fee period the ECB shall determine the actual annual costs for that fee period.
3. The estimated annual costs and actual annual costs shall serve as a basis for the calculation of the total amount of the annual supervisory fees referred to in Article 9(1).

PART III

DETERMINING THE ANNUAL SUPERVISORY FEE

Article 7

New supervised entities or change of status

1. Where a supervised entity or a supervised group is supervised for only part of the fee period, the annual supervisory fee shall be calculated by reference to the number of full months of the fee period for which the supervised entity or the supervised group is supervised.
2. Where, following an ECB decision to such effect, the status of a supervised entity or a supervised group changes from significant to less significant, or vice versa, the annual supervisory fee shall be calculated on the basis of the number of months for which the supervised entity or the supervised group was a significant or less significant entity or group at the last day of the month.
3. Where the amount of the annual supervisory fee levied deviates from the amount of the fee calculated in accordance with paragraphs 1 or 2, a refund to the fee debtor shall be paid, or an additional invoice shall be issued by the ECB to be paid by the fee debtor.

Article 8

Split of annual costs between significant and less significant supervised entities

1. In order to calculate the annual supervisory fee payable in respect of each supervised entity and supervised group the annual costs shall be split into two parts, one for each category of supervised entities and supervised groups, as follows:
 - (a) the annual costs to be recovered from significant supervised entities;
 - (b) the annual costs to be recovered from less significant supervised entities.
2. The split of the annual costs in accordance with paragraph 1 shall be made on the basis of the costs allocated to the relevant functions which perform the direct supervision of significant supervised entities and the indirect supervision of less significant supervised entities.

*Article 9***Amount to be levied**

1. The total amount of the annual supervisory fees to be levied by the ECB shall be the sum of:
 - (a) the estimated annual costs for the current fee period based on the approved budget for the fee period;
 - (b) any surplus or deficit from the previous fee period determined by deducting the actual annual costs incurred in respect of the previous fee period from estimated annual costs levied for the previous fee period.
2. For each category of supervised entities and supervised groups, the ECB shall decide the total amount to be levied via the annual supervisory fees, which shall be published on its website by 30 April of the relevant fee period.

*Article 10***Annual supervisory fee payable in respect of supervised entities or supervised groups**

1. The annual supervisory fee payable in respect of each significant supervised entity or significant supervised group shall be determined by allocating the amount to be levied on the category of significant supervised entities and significant supervised groups to the individual significant supervised entities and significant supervised groups on the basis of their fee factors.
2. The annual supervisory fee payable in respect of each less significant supervised entity or less significant supervised group shall be determined by allocating the amount to be levied on the category of less significant supervised entities and less significant supervised groups to the individual less significant supervised entities and less significant supervised groups on the basis of their fee factors.
3. The fee factors at the highest level of consolidation within the participating Member States shall be calculated on the following basis.
 - (a) The fee factors used to determine the annual supervisory fee payable in respect of each supervised entity or supervised group shall be the amount at the reference date of:
 - (i) total assets;
 - (ii) total risk exposure. In the case of a fee-paying branch, total risk exposure is considered zero.
 - (b) The data regarding the fee factors shall be determined and collected in accordance with an ECB decision outlining the applicable methodology and procedures. This decision shall be published on the ECB website.
 - (c) For the purpose of the calculation of fee factors, supervised groups should — as a rule — exclude assets of subsidiaries located in non-participating Member States and third countries. Supervised groups may decide not to exclude such assets for the determination of fee factors.
 - (d) For supervised entities or supervised groups classified as less significant on the basis of Article 6(4) of Regulation (EU) No 1024/2013, the fee factor of total assets shall not exceed EUR 30 billion.
 - (e) The relative weighting used in respect of the fee factors shall be:
 - (i) total assets: 50 %;
 - (ii) total risk exposure: 50 %.
4. The fee debtors shall provide the fee factors with a reference date of 31 December of the preceding year and submit the required data to the NCA concerned for the calculation of the annual supervisory fees by the ECB by close of business on 1 July of the year following the said reference date or on the next business day if 1 July is not a business day. Where supervised entities prepare their annual accounts based on an accounting year-end which deviates from the calendar year, the fee debtors may provide fee factors with a reference date of their accounting year-end. NCAs shall submit these data to the ECB in accordance with procedures to be established by the ECB. The sum of all fee debtors' total assets and the sum of all fee debtors' total risk exposure shall be published on the ECB's website.

5. In the event that a fee debtor fails to provide the fee factors, the ECB shall determine the fee factors in accordance with the methodology set out in the ECB decision. Failure to provide the fee factors as provided in paragraph 4 of this Article shall be considered as a breach of this Regulation.
6. The calculation of the annual supervisory fee payable by each fee debtor shall be performed as outlined below.
- (a) The annual supervisory fee is the sum of the minimum fee component and the variable fee component.
- (b) The minimum fee component is calculated as a fixed percentage of the total amount of the annual supervisory fees for each category of supervised entities and supervised groups, as determined in accordance with Articles 8 and 9. For the category of significant supervised entities and significant supervised groups, the fixed percentage is 10 %. This amount is split equally among all fee debtors. For significant supervised entities and significant supervised groups with total assets of EUR 10 billion or less, the minimum fee component is halved. For the category of less significant supervised entities and less significant supervised groups, the fixed percentage is 10 %. This amount is split equally among all fee debtors. The minimum fee component represents the lower limit of the annual supervisory fee per fee debtor.
- (c) The variable fee component is the difference between the total amount of the annual supervisory fees for each category of supervised entities, as determined in accordance with Articles 8 and 9, and the minimum fee component for the same category. The variable fee component is allocated to individual fee debtors in each category according to each fee debtor's share in the sum of all fee debtors' weighted fee factors as determined pursuant to paragraph 3.

On the basis of the calculation performed in accordance with the preceding paragraphs and of the fee factors provided in accordance with paragraph 4 of this Article, the ECB shall decide on the annual supervisory fee to be paid by each fee debtor. The annual supervisory fee to be paid will be communicated to the fee debtor via the fee notice.

PART IV

COOPERATION WITH NCAS

Article 11

Cooperation with NCAs

1. The ECB shall communicate with the NCAs before deciding on the final fee level to ensure that supervision remains cost-effective and reasonable for all credit institutions and branches concerned. For this purpose, the ECB shall develop and implement an appropriate channel of communication in cooperation with the NCAs.
2. NCAs shall assist the ECB in levying fees if the ECB so requests.
3. In the case of credit institutions in a participating non-euro area Member State whose close cooperation with the ECB is neither suspended nor terminated, the ECB shall issue instructions to the NCA of that Member State regarding the collection of fee factors and invoicing of the annual supervisory fee.

PART V

3. The amount due under the fee notice shall be paid by the fee debtor within 35 days of the date of issuance of the fee notice.

*Article 13***Notification of the fee notice**

1. The fee debtor is responsible for keeping the contact details for the submission of the fee notice up to date and shall communicate to the ECB any changes in the contact details (i.e. name, function, organisational unit, address, e-mail address, telephone number, fax number). The fee debtor shall communicate any changes to the contact details to the ECB by 1 July of each fee period at the latest. These contact details shall refer to a natural person or preferably to a function within the fee debtor organisation.

PART VI

FINAL PROVISIONS*Article 15***Sanctions**

In the event of a breach of this Regulation, the ECB may impose sanctions on supervised entities in accordance with Council Regulation (EC) No 2532/98 ⁽¹⁾ complemented by Regulation (EU) No 468/2014 (ECB/2014/17).

*Article 16***Transitional provisions**

1. The fee notice for the first fee period shall be issued together with the fee notice for the 2015 fee period.
2. To enable the ECB to start levying the annual supervisory fee, each group of fee-paying entities shall nominate the fee debtor for the group and shall notify the identity of the fee debtor to the ECB by 31 December 2014, in accordance with Article 4(2).
3. The fee debtor shall submit the data mentioned in Article 13(1) for the first time by 1 March 2015.

*Article 17***Report and review**

2. The ECB shall conduct a review of this Regulation, in particular regarding the methodology and criteria for calculating the annual supervisory fees to be levied on each supervised entity and group, by 2017.
